Tuition/Program Fees - Tuition included is for a regular course load at the host university. SMU students have the option of taking 3 courses for a reduced tuition price of \$9,600. Choosing this option requires special approval from your home university to take only three courses.

Housing Cost Range - Our Fudan University program offers participants a choice between on and off-campus accommodation so we need to list a range of housing costs. Please consult our website and your TEAN Program Manager for specific details on each housing option and to learn more about many that are inclusive of items other programs exclude.

Meal Plans - Korea University offers prepaid meal packages in their on-campus dining halls that range from \$400-\$1,000.

Housing Deposits - All participants are required to pay a \$350 housing deposit in addition to the Program Fee. This fee is refundable at the conclusion of the program, less any damages, fines or outstanding debts. Most security deposits actually range in cost from \$700 to \$1,500 so we fund a large portion of this deposit as a courtesy. This ultimately means less funds you need to pay upfront and the convenience of dealing with a USA based organization for your refund.
