Want to develop stronger global and intercultural fluency?

How about enhance your cross-cultural communication skills? When you live among other international students, collaborate on class assignments with local students, or interact with locals around town, you will gain insight into your own culture and grow more comfortable with the ambiguities inherent in engaging with unfamiliar people and places.

Have you ever wanted to learn another language or discover more about another worldview? Study abroad is a great way to engage with people whose values, habits, and perspectives may differ, allowing you to become more open to difference and diversity.

Are you looking for specific courses? Reach out to us and we can help you find the program that meets your academic goals and course needs.

Get hands-on experience abroad

An international internship through TEAN can help you stand out in the increasingly competitive job market. Available for a variety of majors, we offer full-time internships (in-person or online!) or add a part-time internship alongside your courses.
