Looking to build your portfolio and enhance your creativity?

Study abroad provides you with countless opportunities for inspiration as you encounter new ideas and experiences. Turn museums, monuments, and music venues into your classroom. Your coursework with our TEAN host university partners will give you opportunities to expand your technical skills while you grow your global network through connections with classmates and professors.

Are you looking for specific courses? Reach out to us and we can help you find the program that meets your academic goals and course needs.

Get hands-on experience abroad

An international internship through TEAN can help you stand out in the increasingly competitive job market. Available for a variety of majors, we offer full-time internships (in-person or online!) or add a part-time internship alongside your courses.

Discover internship opportunities available by visiting teanabroad.org/internships.

COURSES IN ENGLISH UNLESS OTHERWISE NOTED

The following list and chart represents only a sampling of available TEAN programs. To get more information on the programs shown, as well as information on all other program options, go to teanabroad.org/program-finder.
