Interested in expanding your knowledge of other cultures and sociohistorical contexts?

From interacting with locals to learning more about your host country during excursions to culturally significant monuments and natural spaces, your study abroad experience will leave you with a more profound understanding of your host country, its people, and the world. Coursework taken abroad will also have a significant impact on your academic progress as you discover the unique art, literature, and culture of your host destination.

Are you looking for specific courses? Visit teanabroad.org/course-finder and we can help you find the program that meets your academic goals and course needs.

Get hands-on experience abroad

An international internship through TEAN can help you stand out in the increasingly competitive job market. Available for a variety of majors, we offer full-time internships (in-person or online!) or add a part-time internship alongside your courses.

Discover internship opportunities available by visiting teanabroad.org/internships.
